

What's on?

Please park carefully and with consideration

We have received complaints from some of our near neighbours regarding people parking in residential roads and on the zig zags outside of the front of the school. Please use the large car park adjoining our playground to drop off and pick up your children and remember the speed limit is 20mph.

Bearpees for Pudsey

We are having a wonderful time in school challenging ourselves to beat our personal Bearpee best!

So far this week, across the school, in excess of 12,000 Bearpees have been completed! Do ask your children what their personal Bearpee challenge is.

On Friday children can come into school wearing spots or dots, or any non-uniform clothing of their preference.

Donations to Children in Need can be made by bringing in a cash donation on tomorrow, or you can donate online via <https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=13124>

Disco tomorrow

This Friday is the school disco!

Children in Reception, Year 1 and Year 2 will have their disco between 4.30pm and 5.30pm.

Children in Years 3, 4, 5 and 6 will have their disco between 6pm and 7pm.

Entrance to the disco will be via the main front door to the school.

Your child needs to have cash for the ticket, as well as money for sweets, drinks and snacks.

Please do support this event, which is always enjoyed by children, and raises valuable funds for the school.

All children must be collected from the disco.

Christmas dinner

On Friday 15th December, Margarita, Sadie and Kim will be serving Christmas dinner to the school; the Friday menu has been moved to Wednesday 13th December.

If you have already booked meals through to the end of the academic year, please make sure that the choices for Wednesday and Friday of that week are correct, any choices you had already made for those days have been removed. ParentPay has been adjusted so that you will see the right options for the right days.

Although it will be possible to book Christmas dinner up to midnight on the Thursday of the previous week, it would really help the catering team if any Christmas dinners were booked as soon as possible.

Pantomime – Oh yes it is!

On Friday 1st December, children in Years 1 – 6 will be watching the Saltmine Theatre Company present Neverland.

The company presented our pantomime last year and it was enjoyed enormously by everyone. Please contribute £4.60 via ParentPay to enable your child to watch the show, in school, on Friday 1st December.

Headlice

Please do check your child's hair for lice and their eggs. Regular wet combing of your child's hair with a nit comb can help catch any infestation early and prevent lots of head scratching! Thank-you.

Start of the school day

We would like to remind you that the classroom doors are open from 8:40am to 8:50am. Classroom doors close at 8:50am when the registers are taken. If your child's classroom door is closed, please do not send them in through any other access points. Children must come to the main front office where they can be properly registered. This ensures that all our registers are correct, and we know who is on site.

Staying safe online

Now that the evenings are dark, we know that children are more likely to be indoors playing on their electronic devices than over the summer months. Please do take time to check the security settings on your child's devices. You can find some helpful advice on the [NSPCC website](https://www.nspcc.org.uk).

Remember that age ratings on games and social media sites are there to protect your children.

Loving, learning and flourishing in community
