

What's on?

Your child should today have brought home a letter with more information about the upcoming 'Wild Walk'. On the back of the letter is a sponsorship form.

We would love to smash the total that we raised last year as we anticipate the money raised going towards an exciting new outdoor space for all the children.

The event will take place on Friday 24th May (the last day of this term).

School lunches

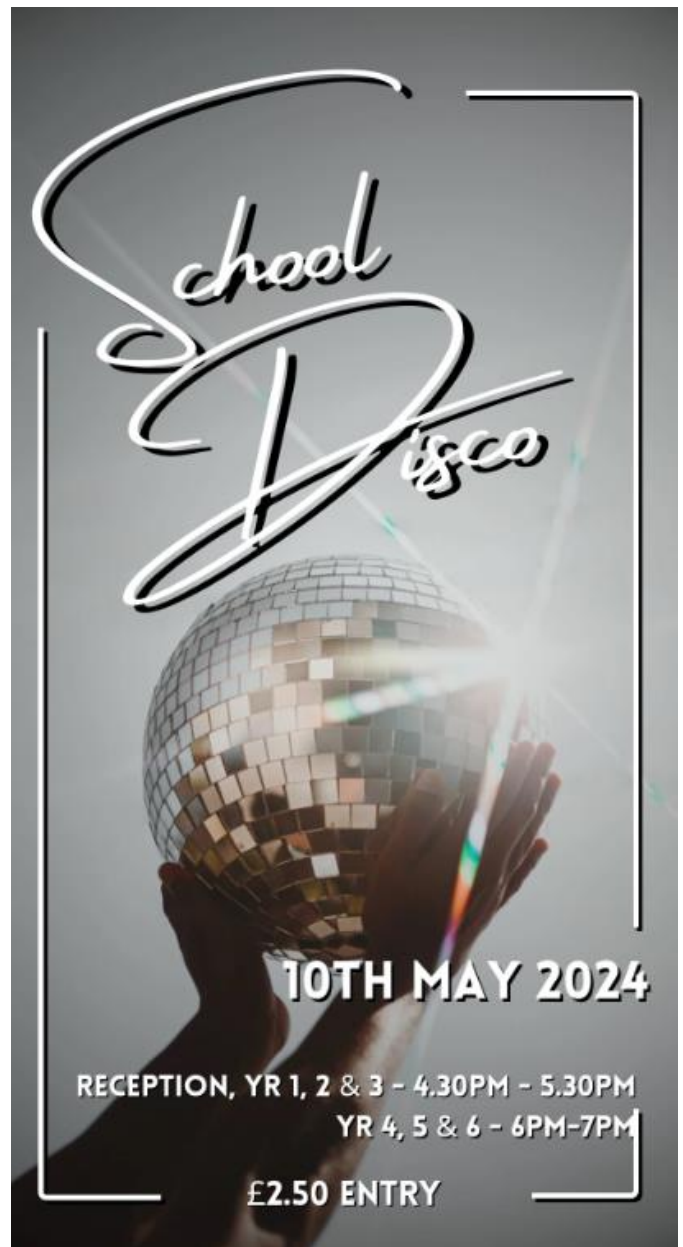

Over the past couple of weeks, a number of families have forgotten to order meals for their children. Don't forget that you can order meals as far in advance as you like, but all meals must be booked by midnight on the Thursday before the week that they will be taken.

Please do have check ins with your children about what they are enjoying eating and what they are not. If your child doesn't like potatoes or vegetables, their roast dinner will be just a piece of meat and a Yorkshire Pudding, if your child didn't like the veggie burger their meal today was a roll and some wedges.

Order now for meals next week.

Our school disco is tomorrow!! It is always a great event, we would love to see as many children there as possible.

Assuming it stays dry, entry to the disco will be via the small front gate onto the playground and from there into the hall.

Nits and spots!

Both nits and chicken pox are doing the rounds, please keep an eye out for both!

Please check your child's hair for nits and treat them to stop them spreading to other children.

Chicken pox often starts with a sore throat...

The sun has got his hat on!

Following a Bank Holiday of rain, we are now experiencing wall to wall sunshine!

Please make sure that your children have a named hat in school and that they come to school wearing sun cream.

Please also make sure that your child has a named water bottle, filled with water. It is hot and thirsty work running around for an hour at lunchtime.
