THE OXFORD & CAMBRIDGE SINGING SCHOOL

The Oxford and Cambridge Singing School is for boys and girls aged 7 - 13 who love to sing. Established in 2013 to provide children and young adults with the opportunity to sing great classical music with world class coaches in a relaxed and fun environment, the OCSS aims to develop their confidence and ability in singing and performing.

"How lucky are these young singers. They are brilliantly taught and have a lot of fun, and you will be amazed at what they achieve in just a few days - and all in the most beautiful surroundings." - Bob Chilcott

Pupils will learn some beautiful seasonal music and at the same time gain a background in vocal technique, music theory, music appreciation and history. Singing lessons with a specialist vocal coach are also provided in small groups.

To join our mailing list and for more information on our courses, please see www.oxbridgesingingschool.com or email samantha@oxbridgesingingschool.co.uk

Summer Holiday Clubs

The sun is out and we are excited to announce **Science Oxford's Summer Holiday Clubs** this August, for young explorers aged 7-11! At 'Tech, Trees, and Tomorrow', curious kids will embark on hands-on technology projects, woodland adventures, and science investigations at the amazing Science Oxford Centre. They'll learn about the impact of climate change, design their own investigations and create artwork using high-tech tools like laser cutters. Join us for a tech-filled, project-focused adventure where curiosity and innovation lead the way! Activities include interactive sessions in the Exploration Zone, woodland and outdoor Water Lab. Places are limited, so don't delay.
