

Newsletter

This term has been a short one, but we have packed lots into it!

Week-by-week in the newsletter we try to give you a sense of the things that have been going on in school, but please do ask your children what they have been learning. You can find curriculum maps on our website and details of what each year group is covering on our year group pages – these may help you know what questions to ask your child.

This last week of term has been particularly busy with children baking Mexican Quesadillas, decorating cakes, dressing as pirates and being a Chinese dragon! We hope you enjoy this week's colourful 'News from Around the School'.

Have a wonderful half-term break. We look forward to seeing the children back in school on Monday 19th February.

Loving, learning and
flourishing in
community

Well done Team Blake!

Congratulations to the team of girls who this week played football against Madley Brook in the last of their partnership matches.

The girls played brilliantly and had a lot of fun, but on this occasion they were beaten by the better team.

School lunches

Please don't forget that there is a new lunch menu for after the half-term break. To avoid disappointed children, please talk to them about the menu, before making the choices.

After the Easter break, the cost of a school lunch will be increasing by 10p. If you have already ordered meals for beyond the Easter break, and you pay for the meals, please note that a debt will now be showing representing the difference in cost between the school meals. We would be grateful if you could clear the debt as soon as possible.

Please don't forget to order your child's lunches for the week after half-term by midnight on Thursday of next week.

Wishing you all a safe and peaceful half-term break, we hope you all enjoy eating pancakes on Shrove Tuesday!
