News from Mr Edwards-Grundy

This week in Collective Worship we began to look at our new Value of Patience. As always, your children had some great ideas to share and were not short of examples of when they are asked to show patience! And I know that the experience of the children is echoed by us as adults, Patience is often required and is very often a challenge to us!

I talked to the children about when and how Patience can actually be useful to us and for us and together with them explored the merit of waiting, and how it can benefit us.

We also enjoyed thinking about nature and how long we have to wait for the changing of the seasons. Given our climate, we often have to wait quite some time for the new season to come! But our Patience *will* be rewarded, Spring days will eventually turn to Summer...

News from Around the School

Our children in Year 5 have been having a great time developing their drumming skills - it is amazing to hear the sound they make. Our outdoor classroom is a perfect place for them to play!

News from our community

The O.K. 10k takes place against the backdrop of the stunning Cornbury Park. This amazing route winds through a private estate that is not normally open to the public with access to the ancient Wychwood Forest, making it a truly special and unforgettable experience.

This is a fun, inclusive 5k or 10k walk or run for all ages and abilities, raising awareness of Neuroendocrine Cancer and vital funds for research into this rare disease.

Organised by Olivia Kazimiera Foundation for Neuroendocrine Cancer, a charity run by the family of one of our reception class pupils whose mum died as a result of the disease.

News from Out and About

This week, our children in Year 4 have spent a fantastic two days at the Adventure + base at Clanfield. The children enjoyed the wonderful sunshine and a whole range of fun activities.
