

# What's on?

## What does your child like to eat?

The queue for lunch is generally a happy place with children looking forward to what they are going to eat. Sadly, almost every day, there is someone who reaches the front of the line and then with great sadness announces 'I don't like .....

When ordering school meals for your child, please do make sure that they like the choice that you have made for them. We do all we can to make sure your child has something that they will eat, but as meals are cooked to order, we have very little wriggle room.

The link for school meals is on the website from a Saturday night, you can order anytime from then on until 6pm on Thursday, so there is plenty of time to go through the menu with your child, and chose something that you know they will enjoy.

If you have not ordered meals for next week yet, please [use the online form](#) to do so, before 6pm tomorrow.

## Around Blake Care (ABC)

We are delighted that so many children are able to take advantage of our wrap around provision.

Larger group numbers however mean that we have decided to take additional measures in order to keep your children safe.

From tomorrow (Thursday), the only way to collect your children will be by entering the front playground by the single gate in front of the hall and walking round to your child's group.

This change will ensure that any adults coming to collect children can be easily identified and staff can more easily supervise your children.

We appreciate that this will be less convenient for some parents, but the decision has been made for the safety of your children.

If you have any questions about the change to collection arrangements, please do speak to a member of ABC staff.

## Curriculum evenings

It has been wonderful to welcome so many of you to curriculum evenings this week.

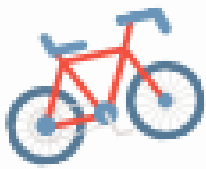

If you missed the evening for your child, please do look on our school website. Curriculum letters and plans will be on the year group pages by the end of the week.

The last two evenings are taking place tomorrow (Thursday), in school at 5pm for Year 5 and online at 6pm for Year 2. A Teams invite will be sent to Year 2 parents in the morning.

## World car free day

Tomorrow is world car free day. We are joining Witney Town Council in encouraging people to look at being active when they travel. Please do consider walking, cycling or scooting to school whenever you can.

Your child may like to complete the Active Travel Bingo sheet below. Completed sheets can be exchanged for a free pencil at the Witney Town Council Office and to be in with a chance of winning a family ticket to the bus museum.

**WITNEY**  
TOWN COUNCIL

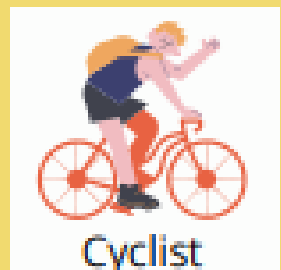

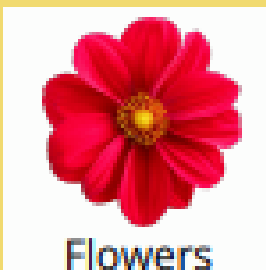

# Active Travel BINGO!

## Car Free Day - Thursday 22nd September

Can you complete the challenge during week commencing 19th September?
