Safety around our site

Sadly, we receive frequent reports from our community saying that parents are parking on the zig zag yellow lines at the front of the school. It is an offence to park on these lines, but perhaps more importantly it also puts your children at increased risk of harm.

We are so fortunate to have a large car park – please use it. The vast majority of our community live within one mile of the school, please consider cycling, scooting, or walking to school with your children.

We know that drop off and pick up times can be stressful, but please do treat one another with courtesy and kindness. Thank you!

Work on drains

On Thursday 11th December a team of drainage experts will be working to clear the last of our surface water drains. The works will begin before the start of the school day and will likely take most of the day.

The corner of the large car park (closest to the large playground gate) will be being used by the contractors. Our surface drains empty into the brook that runs between us and the farm and the work will therefore predominantly be taking place off site. Barriers will be in place to keep everyone safe.

Please take extra care when coming into school on that morning and allow extra time for parking and accessing the school site.
