

Do you like drawing and designing?

Can you help us?

We want our children to design a logo to represent each subject that we learn about at school. These will help us to identify our subjects within lessons.

Can you design a simple logo to represent each of these subjects?

- Maths
- English
- Reading
- Phonics and spelling
- Handwriting
- Science
- History
- Geography
- R.E.
- P.E.
- Art
- D.T.
- Music
- Computing
- PSHCE
- French
- Forest School

Please use the template paper to design your logos, making sure they fit into the circle. Make your designs simple, bold and clear. You might want to include the subject name in your design or just an image to represent it. (Above are some ideas that might be helpful.) If you need more templates, your class teacher will be able to give you these.

Please return your designs to your class teacher or the school office.

We look forward to seeing your wonderful ideas and will chose the winning designs next term.
