Ideas for the holiday

The competition aims to inspire writers to tell their own original story. Children aged 7-11 are invited to write a short story (up to 3000 words).

The winner of each category will see their entries published as an eBook, to be made available to members of Oxfordshire Libraries to read and borrow in 2022.

Full terms and conditions, as well as instructions on how to submit entries, can be found [here](#).

To take part in the challenge children simply choose a goal and then enjoy games, book reviews and reading challenges.

Participants can earn badges and a certificate.
