Values Awards

Well done to all the children who this week received a Values Award. It was great to recognise their hard work to live by our Values.

RE and Arts Week

It has been a wonderful week in school celebrating RE and Arts week.

From Collective Worship on Monday, through to the end of day today, children have been exploring what it means to 'Act Justly, Love Mercy and Walk Humbly'.

There has been some amazing artwork produced around the school and each class has also had the time to visit St Mary's Coggles for some time at the prayer spaces.

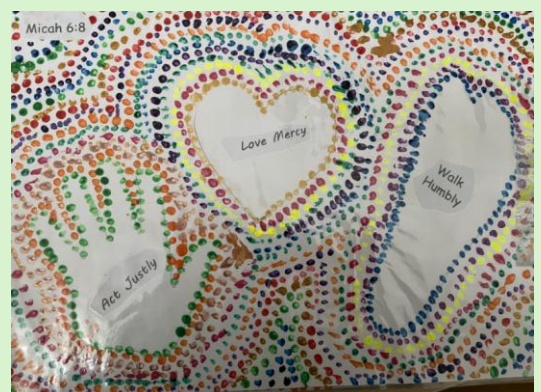

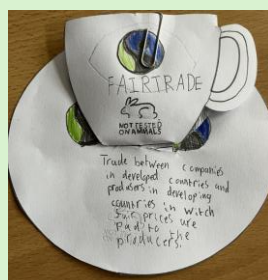

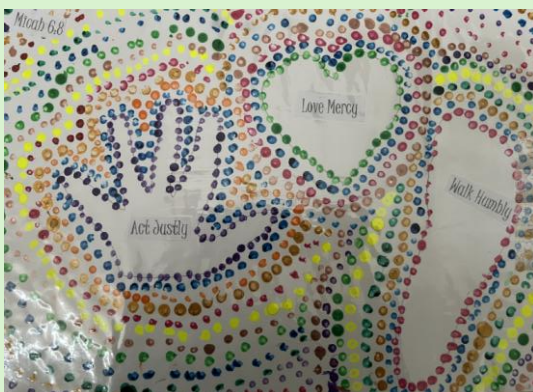

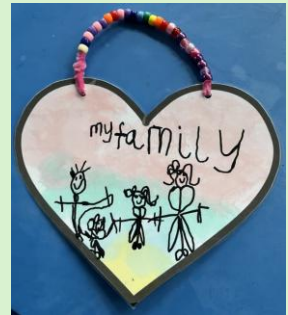

Throughout the week, children have also enjoyed some thought-provoking videos. Mrs Rowlands asked children to think about how they can share love and mercy out more widely and gave them some practical challenges for the week. The children were also encouraged to think about how they can ensure justice, by treating everyone equally, even when they are different to us.

There have been lots of interesting conversations about how we can all act more justly, be more merciful and walk more humbly not only here in school, but also at home and in the wider community. Do ask your children about what they have learned.

Thank you to everyone who has helped in school or in church this week.

Loving, learning and flourishing in community
