

What's on?

School meals next week

Please don't forget to order school meals for next week, before the deadline of Thursday at 6pm. Order meals using [the link](#).

We have now changed the settings on the form so that you can save or print your choices. We hope this change will make the ordering process much easier.

End of term

This term will end at **3.15pm on Friday 8th April**. School will re-open to all children on **Monday 25th April**, after the Easter break.

Covid-19

This Friday we are expecting a change to the national guidance regarding Covid-19.

As soon as new schools' guidance is issued we will write to you regarding this.

Supporting The Friends

On the last day of term, Friday 8th April, children will not need to wear their school uniform. Children can wear whatever they want to school that day in return for a £1 donation to The Friends.

Alongside this document are details of The Friends' Easter trail.

Trail sheets will be £2 each and everyone who buys a sheet will be entered into the prize draw. Please send £2 into school in a named envelope if your child wants to take part. Trail sheets will be distributed next week.

Parents' evenings

The remaining Parents' evenings are taking place over the coming days. Bookings for all appointments will close 24 hours ahead of the appointment time. If you have not booked your appointment yet, please do so as soon as possible. You will need to book your appointment via e-schools.

A link for the parent's evenings will be sent to you prior to the first of the meetings. The link will be the same for each class, for every parent who has a meeting on a specific day. When you join the meeting, the teacher will receive an on screen notification that you are waiting. You will be admitted to the meeting by the class teacher as soon as they have finished with the previous parent(s).

Holiday club at St Mary's Cogges

St Mary's Church Cogges is putting on a holiday club for two mornings over the Easter break.

The club is running between 10am and 1pm on 11th and 12th April and will take place in the Church Centre, adjacent to the Church.

During the morning the children will take part in games, crafts, Bible story and songs. Children should also bring their own named packed lunch to eat together at the end of the morning.

To book a place for your child [click here](#).

Live in Witney?

Want to talk about opportunities for walking and cycling?

Researchers from the University of Bristol are conducting research about how people might be encouraged to walk or cycle more.

Who can get involved?

Witney residents who fit into one of the following groups:

a) commute to work at least three days a week
OR
 b) are aged between 65-75 years

You should be able to live and travel independently and safely, with good mobility. We are not looking to recruit people who already walk or cycle frequently.

What would happen?

You will be invited to attend an hour-long focus group in a public venue. The discussion will include what might encourage more walking or cycling as an alternative to car use, and your opinions of existing facilities for walking and cycling in Witney.

Focus group participants will be offered a £30 gift voucher as a thank you for their time and input.

The study is funded by the National Institute for Health Research (NIHR).

To find out more please email
tricia.jessiman@bristol.ac.uk or call Tricia on
 07977 902012.
