"We will remember them"

Odd socks

On Monday 15th November all children are being encouraged to come to school wearing odd socks, to celebrate the fact that we are all different and that is what makes us great!

The anti-bullying alliance, who help to raise awareness through their campaigns, are this year sharing the theme of 'One Kind Word'. In classes, children will explore a little more about this – how we can celebrate uniqueness together, how kindness can be contagious and ways to make others feel good with just one kind word.

If wearing odd socks will be hard for your child, they could just bring a pair into school with them instead.

Children in Need

This year, 'Children in Need' day falls on Friday 19th November, and we would like to invite children to wear spots, or yellow, and bring in a donation to celebrate this worthy cause. Other 'Pudsey paraphernalia', such as headbands and t-shirts are also welcome.

In school, children will explore what Children in Need is all about and the people the charity supports. Classes will also complete some activities supporting physical and mental wellbeing and focusing on the importance of embracing what makes each of us unique.

JAM Club

Children in Years 5 and 6 are being invited to join JAM club being run by members of St Mary's Church.

Children have brought home a letter about this, please do complete and return the slip if your child would like to attend.

Christmas orders

Many thanks to everyone who has ordered Christmas items with their child's design. Children will have brought home items today. Some items are missing, where this is the case you should have received a slip informing you of the items that are delayed. Please do check your child's bag for items that you have ordered.

Enormous thanks to The Friends who have given many hours to ensuring this significant fundraiser for the school takes place.

Coats and layers

Please make sure that your children bring a coat into school to wear at playtimes. Even if your child does not feel the cold, playtimes can also be wet!

Please also remember that we are keeping classrooms well ventilated and so your child may need an extra layer to wear in the classroom to keep warm.

ParentPay

We use ParentPay for almost all of our trips, clubs and activities.

It would be really helpful to us if you can check that your payments are up to date and that all trips, school meals, wrap around sessions etc have been paid for.

Thank-you!
