

# What's on?

## Tomorrow!

Thursday is a particularly busy day in school...

During the morning, Year 1 children are celebrating a wedding in St Mary's Cogges – parents are welcome to attend.

Also during the morning, Year 3 children are going on a historical walk around Witney – please make sure they have coats and sunhats! They will also all need a packed lunch and a water bottle.

In the afternoon, the children in Years 4 and 5 will be listening to Thom Conroy, who will be demonstrating his multi woodwind instruments.

And finally, in the evening, the children in our Early Years' Unit will be performing to their parents, reflecting on their first year in school. Parents are welcome to attend.

## Holiday dates

Please be aware that school closes for the summer break at 1.30pm on Thursday 21<sup>st</sup> July.

School re-opens to all children on Tuesday 5<sup>th</sup> September.

From September the length of the school day will be increased. Doors will open at 8.40am and close at 8.50am. Children arriving after 8.50am will be marked as late and will need to come into school via the main front office.

The school day will finish at 3.20pm, this will mean that the gates onto the site will not open until 3.10pm.

## Reports

All children in school should today have brought home their end of year report.

We hope that you enjoy reading your child's report with them and celebrating their journey through this year.

It is helpful for us if you can complete and return the comment slip that was included with the report.

If you would like to discuss your child's report, please do speak to their class teacher.

## Clubs

Only the following clubs are taking place next week (the last week of term) – Football and Zumba.

Sign up forms for clubs next year are beginning to be circulated, so please do look out for these. Some sign up letters (JAM, Choir, Circuits/Athletics) will not however be circulated until September.

## Online games

We would like to take this opportunity to remind you about the importance of ensuring that the online content your children are accessing is age appropriate.

Games that are rated 18 have less security features meaning that your children may be more at risk from other adults online when playing those games.

In addition the online content that is considered suitable for an adult is very rarely appropriate for primary school aged children.

Please protect your children by checking what they are watching/gaming.
