Parent / Carer survey

We really value feedback from our parents/carers.

Many of you contact us during the school year with encouragement, or to raise concerns, but at this point each year we provide everyone with a formal opportunity to share your thoughts with us.

Your feedback is used to help us plan School Development priorities for the next academic year, as well as to help us identify helpful changes to our day to day processes.

Please do [complete the online survey](#). Leaving your email address will enable us to follow up any of your individual concerns.

We are also asking staff and children for their feedback, so we will be able to put all the information together as we look ahead to next year, as well as any more immediate changes.

The survey will close this weekend.

The Friend's sponsored event – The Wild Walk

The fund-raising obstacle course will take place on Friday 26th May, during school hours. For 45 minutes the children will engage in an obstacle course challenge, supported by members of The Friends and the staff team.

The Friends are asking that family and friends sponsor the children for their time on the obstacle course. Children will be encouraged to complete as many rounds of the obstacle course as possible.

Money raised, along with the completed sponsorship form should be returned to school in the envelope sent home with your child today, by 22nd May

A small refreshment will be handed out at the end of the activity and each child will receive a certificate for participating. Children are required to wear their PE kits (which they will change into before their time slot), a sun hat, and bring along their water bottles.

All children will be included in this event regardless of whether they have sponsors or not.

Head lice

We currently have cases of head lice in school. Please check your child's hair for head lice (nits), or the eggs.

After treating, please continue to check your child's head, you can comb their wet and conditioned hair with a nit comb, which will comb out any lice or eggs.

If your child has long hair, we recommend keeping it tied back when they are in school.
