

What's on?

No Pokémon cards

Children should not bring Pokémon cards into school unless they have been told that they can do so as part of Golden Time/a class reward.

If children are seen with these cards at any other time the cards will be looked after by their class teacher until the end of the school day.

Vote for a parent governor

Last week we sent out voting slips for the parent governor role.

If you have not yet returned your slip and wish to do so, please return it to school as soon as possible.

Stay safe - be seen

Schools have been asked to remind children and families of the importance of being seen, especially when mornings may be foggy, or as dusk falls earlier.

Please do think about providing your children with a reflective strip to go on a coat or bag so that they can easily be seen by drivers. Please also remind your children to take care when around traffic and when crossing the road.

School lunches

Please don't forget that if you want your child to have a school meal during the last week of term, you need to [complete the online form](#) by 6pm.

We continue to have children tell us that their parents have chosen them a meal that they do not like. Please do check with your children before making their menu choices.

Year 6 applications for secondary school

If your child is in Year 6, you must apply for a place for them at secondary school by 31st October 2022. The easiest way to apply for a place is online. If you need a paper copy of the application form, please get in touch with the school office.
